- 1) Electronic Vignette payment can be made:
 - a) at Points of Sales, the list of which can be found on the Web Portal in cash and/or using a payment card;
 - b) on the Web Portal using a payment card and/or Internet banking;
 - c) by the mobile application for mobile devices using a payment card;
 - d) by means of Self-Serve Devices located especially at Points of Sale at border crossings, which are listed on the Web Portal, using a payment card.
- 2) For the purpose of Electronic Vignette payment the Customer is obliged to submit to the Service Provider the following data:
 - a) the country of vehicle registration;
 - b) the license plate number of a vehicle or a trailer of O1 and O2 category;
 - c) the vehicle type and the fact whether it is a vehicle or a trailer;
 - d) the period of the Electronic Vignette validity and the start of its validity and
 - e) contact address for delivering documents, e-mail messages, confirmations, documents and information, if available;
- 3) In case that a Customer decides to carry out/carries out a bulk payment of Electronic Vignettes using the Web Portal, besides the aforesaid details specified in item 2) of this Article of the Terms and Conditions, he is obliged to provide to the Service Provider also the following details:
 - a) the company name, the address of the place of business if the vehicle operator is a natural person - entrepreneur, or name, surname, date of birth, address of residence, and nationality if the vehicle operator is another natural person;
 - b) the company and the registered office if the vehicle operator is a legal person;
 - c) the organisation identification number (ID No.);
 - d) the tax identification number (Tax ID No.);
 - e) the value added tax identification number (VAT ID No.) and the country of the VAT ID No. registration.
- 4) Sole responsibility for the accuracy of the aforesaid data provided according to item 2) and 3) of this article lies with the customer. In case that the provided data is inaccurate and/or incomplete, the Customer is obliged to notify the Service Provider of an amendment and/or supplementation of such data, namely immediately after discovering the fact, however at the latest within the end of the calendar day on which such inaccurate and/or incomplete data was provided to the Service Provider. After the expiry of this period, subject to the prior written consent of the Electronic Vignette Payment Collection Administrator, the Service Provider shall correct, amend and/or change such data only if the Vehicle Operator proves that the license plate number erroneously provided to the Service Provider for the purpose of Electronic Vignette payment has not been assigned to any vehicle between the time of the Electronic Vignette payment and the submission of the request for correction, amendment and/or change of the data.
- 5) In accordance with item 4) above of this Article of the Terms and Conditions, the customer is responsible for making one Electronic Vignette payment recorded in the Electronic Vignette payment records for one and unique vehicle/trailer license plate number and for one period of validity of the Electronic Vignette payment.
- 6) The Service Provider, based on the Electronic Vignette payment, shall issue a Confirmation, which, along with the details specified in the relevant provisions of Act No. 222/2004 Coll. on Value Added Tax as amended, shall also include:
 - a) the location, the date and the time of Electronic Vignette sale;
 - b) the country of vehicle registration;

- c) the license plate number of a vehicle or a trailer of O1 and O2 category;
 - d) the vehicle type and the fact whether it is a vehicle or a trailer;
 - e) the period of the Electronic Vignette validity, the start and the end of its validity;
 - f) the name and the registered office of the Electronic Vignette Payment Collection Administrator;
 - g) contact details for delivering documents, electronic messages, confirmations, documents and information, if provided by the Customer to the Service Provider upon Electronic Vignette payment.
- 7) The Service Provider, depending on the method of Electronic Vignette payment, shall issue/generate a Confirmation:
 - a) after receiving cash funds from the customer by the POS staff (into a cash register) or
 - b) in case of Electronic Vignette payment using a payment card, only after successful authorisation of the transaction.
 - 8) In case of Electronic Vignette payment in cash, by a payment card at a POS and in case of Electronic Vignette payment by a payment card using a Self-Serve Device, the Service Provider shall issue a "Confirmation of electronic vignette payment, simplified invoice" in paper form.
 - 9) In case of Electronic Vignette payment using the Web Portal, a Payment Card or the Internet Banking, and using the Mobile Applications for mobile devices, the Service Provider shall generate a "Confirmation of electronic vignette payment, simplified invoice" in electronic form, suitable for print, which shall be sent to the Customer to his/her contact address for delivery of documents/confirmations in electronic form.
 - 10) In case that the Customer requires Electronic Vignette payment for several vehicles/trailers, except for the Web Portal in case of bulk Electronic Vignette payment, the Service Provider shall issue/generate for each Electronic Vignette payment a separate "Confirmation of electronic vignette payment, simplified invoice", i.e. one "Confirmation of electronic vignette payment, simplified invoice" shall always represent only one Electronic Vignette payment.
 - 11) In case of bulk Electronic Vignette payment using the Web Portal, a payment card or the Internet Banking, , the Service Provider shall generate a "Confirmation of electronic vignette payment, invoice" in electronic form, suitable for print, which shall be sent to the Customer to his/her contact address for delivery of documents/confirmations in electronic form.
 - 12) The total amount of the bulk Electronic Vignette payment by a payment card is not limited by the Service Provider. The limit of the amount shall depend solely on the agreement between the Customer and his commercial bank, which administers his account and issued the relevant payment card.
- 3) Request for an adjustment in Electronic Vignette payment records can be submitted via the Web Portal and via selected Points of Sale, the list of which can be found in the Web Portal, while the data adjustment in the Electronic Vignette payment records can be carried out exclusively in case that the Vehicle/Trailer license plate number and/or country of registration changes (i.e. the Vehicle/Trailer itself or the Electronic Vignette type and validity do not change).
 - 4) A request for a change in the records of Electronic Vignette payments according to item 3) of this Article of the Terms and Conditions cannot be submitted in the cases defined in the provisions of Section 116(17) of Act No. 8/2009 Coll. on Road Traffic and on amending and supplementing certain acts as amended (i.e. if the Customer retains the license plate with the registration number of the vehicle/trailer); the Electronic Vignette continues to be valid for this registration number of the vehicle/trailer in such a case.
 - 5) For the purpose of adjusting the Vehicle/Trailer registration, the Customer is obliged to submit, in case of the Web Portal to submit in electronic form, the relevant Confirmation and the relevant documents certifying the grounds and the authorisation for carrying out the requested adjustment. The list of specific documents which enable to substantiate the grounds and the authorisation for implementing the aforesaid adjustment can be found on the Web Portal.
 - 6) Based on the data adjustments implemented in the Electronic Vignette payment records, the Service Provider shall issue a Confirmation of the data adjustment for the Customer.

Article 7

Article 6

Data Adjustment in Electronic Vignette Payment Records

- 1) Electronic Vignette is non-transferable between vehicles or trailers, except in the cases defined in the provisions of Section 116(17) of Act No. 8/2009 Coll. on Road Traffic and on amending and supplementing certain acts as amended.
- 2) If a vehicle or a vehicle combination has a valid Electronic Vignette and an action carried out by the body of the Police Force of the Slovak Republic in the vehicle register according to the provision of Section 114 et seq. Act No. 8/2009 Coll. on Road Traffic and on amending and supplementing certain acts as amended, a registered vehicle license plate number is assigned to such a vehicle or combination of vehicles which, pursuant to the provisions of Section 2(2) of the Act, is not subject to Electronic Vignette payment, the provision of par. 1 of this article of the Terms and Conditions after the semicolon shall not apply; the Electronic Vignette payment shall not be refunded to the Customer in such a case.

- 2) The request for registration of vehicles and/or vehicle combinations exempt from Electronic Vignette payment can be submitted by the operator of a vehicle or a vehicle combination exempt from Electronic Vignette payment to the Service Provider, namely:
 - a) at selected Points of Sales, the list of which can be found on the Web Portal, or
 - b) directly using the Web Portal.
- 3) In terms of the request for registration of vehicles and/or vehicle combinations exempt from Electronic Vignette payment in the central records in Electronic Vignette payments, the operator of a vehicle and/or a vehicle combination exempt from electronic vignette payment is obliged to submit documents certifying the operator of the vehicle and/or the vehicle combination exempt from electronic vignette payment and the documents substantiating the grounds for the exemption. The specific documents which enable to substantiate the grounds for the exemption can be found on the Web Portal. If exemption of a vehicle or a vehicle combination from Electronic Vignette payment is time limited, the Operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment shall specify the time to which the exemption of the vehicle or the vehicle combination from Electronic Vignette payment applies. In case of request for registration of a vehicle or a vehicle combination exempt from Electronic Vignette payment in the central records of Electronic Vignette payments using the Web Portal, the operator of a vehicle or a vehicle combination exempt from Electronic Vignette payment is obliged to submit the aforesaid documents in electronic form.
- 4) In terms of the request for registration according to item 3) of this Article of the Terms and Conditions, the Operator of a vehicle and/or a vehicle combination exempt from electronic vignette payment is obliged to submit the following data, in particular:
 - a) the company name, the address of the place of business if the vehicle or vehicle combination operator is a natural person - entrepreneur, or name, surname, date of birth, address of residence, nationality, ID card number or passport number if the vehicle or vehicle combination operator is other natural person;
 - b) the name or the company name and the registered office if the vehicle or vehicle combination operator is a legal person;
 - c) the vehicle license plate number and the country where the vehicle or the vehicle combination is registered;
 - d) contact details of the vehicle or vehicle combination operator, in particular contact telephone number, facsimile number and e-mail address, if available.
- 5) Sole responsibility for the accuracy of the data provided according to item 3) and 4) of this Article of the Terms and Conditions exclusively lies with the operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment. In case that the provided data is inaccurate and/or incomplete, the operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment is obliged to notify the Service Provider, in the manner specified in item 2) of this Article of the Terms and Conditions, of amendment, supplementation or adjustment of such data immediately after discovering this fact.
- 6) The Service Provider is not obliged to register vehicles/vehicle combinations exempt from Electronic Vignette payment in case that:
 - a) the registration/request for registration is not carried out in accordance with the provision of item 2) of this Article of the Terms and Conditions;
 - b) the operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment does not provide the documents according to item 3) of this Article of the Terms and Conditions,
 - c) the operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment does not provide the data specified in item 4) of this Article of the Terms and Conditions.
- 7) In case that the registration/request for registration of vehicles and/or vehicle combinations exempt from Electronic Vignette payment is not carried out in accordance with provision of letter a) and b) of item 2) of this Article of the Terms and Conditions and/or the documents based on which the operator of the vehicle or the vehicle combination exempt from Electronic Vignette payment demonstrates the grounds for the exemption contain data over the scope of data specified in the relevant documents published on the Web Portal, the Service Provider shall shred such delivered documents immediately - permanently without any possibility of their recovery.
- 8) The operator of a vehicle or a vehicle combination exempt from Electronic Vignette payment may submit only one request for registration of one vehicle and/or vehicle combination exempt from Electronic Vignette payment, which applies to one parking pass issued pursuant to relevant provisions of Act No. 447/2008 Coll. on Cash Benefits for Compensation of Severe Disability and on amending and supplementing certain acts as amended. In case that a Customer submits a new request for registration of a vehicle/vehicle combination exempt from electronic vignette payment that applies to a parking pass already registered in the Electronic Vignette payment records, the original registration of the vehicle and/or the vehicle combination exempt from Electronic Vignette payment shall expire as of the day on which this request is submitted.
- 9) The operator/driver of a vehicle or a vehicle combination exempt from Electronic Vignette payment may use the specified road sections only based on a confirmation issued by the Service Provider of registration of vehicles/vehicle combinations exempt from Electronic Vignette payment.
- 10) The operator of a vehicle or a vehicle combination exempt from Electronic Vignette payment is not obliged to pay for an Electronic Vignette during the period of exemption. In case that the operator of a vehicle or a vehicle combination exempt from Electronic Vignette payment paid for an Electronic Vignette before the exemption came into force and effect, this payment shall not be refunded to the operator/driver of the vehicle or the vehicle combination exempt from Electronic Vignette payment.
- 11) The Ministry of Defense of the Slovak Republic (hereinafter referred to as the "Ministry of Defense") is obliged to register in the central records of Electronic Vignette payments in a sufficient period of time in advance before the start of using the specified road sections the vehicle or the vehicle combination exempt from Electronic Vignette payment according to provision of Section 7(1)(d) of the Act providing the following data:
 - a) the planned route;
 - b) the location and the time of entering the Slovak Republic and the location and the time of exiting the Slovak Republic;
 - c) the vehicle license plate number and the country where the vehicle is registered;
- 12) In case immediately before the start of using and in the course of using the specified road sections by a vehicle or a vehicle combination exempt from electronic vignette payment according to provision of Section 7(1)(d) of the Act a change in the data arises, the Ministry of Defense is obliged to provide amended data for registration to the Service Provider within 5 days after the change arises.
- 13) The Central Office of Labour, Social Affairs and Family provides the Vignette Payment Collection Administrator for the purposes of registration and control of registration of a vehicle or a vehicle combination exempt from electronic vignette payment according to the provision of Section 7(1)(h) the details of a natural person with a severe disability holding a parking permit. The data are provided in the scope of name and surname, date of birth, number of a parking permit and the date of issue of the parking permit

- 9) The Service Provider reserves the right not to accept a claim:
 - a) if it is not filed at the location and in the manner required by this claims policy and/or not filed within the specified period;
 - b) if it is incomplete and/or unclear/anonymous and the Customer even within 14 days after delivery of the notice from the Service Provider to amend the claim does not add the missing data and documents specified in the written request for amendment or
 - c) it is related to issues to which this claims policy does not apply and/or which are related to the Electronic Vignette payment enforcement pursuant to the Act.
- 10) Costs of the claims process until the moment of the decision shall be borne by the Service Provider - this does not apply to any costs incurred by the Customer in connection with the claims process.
- 11) In case of not accepting a claim according to item 9) of this Article of the Terms and Conditions, the claims process is not considered as initiated.
- 12) The claims process starts on the day of due filing of the claim pursuant to the provisions of this claims policy, which forms a part of the Terms and Conditions. The start of the claims process according to these Terms and Conditions is understood as:
 - a) on the Web Portal: sending an appropriately filled claim from the Web Portal - the following working day after electronic dispatch of a completely filled claim form;
 - b) in case of phone reporting: the date and the time of the telephone call. In case of filing a claim on the phone, a written form for handling the claim is not required;
 - c) using the mobile application: sending an appropriately filled claim from the Mobile Application - the following working day after electronic dispatch of a completely filled claim form.
- 13) The Service Provider, after specifying the manner of resolving the claim, shall resolve the claim immediately, whereas in reasonable cases it shall resolve the claim later; however resolution of the claim shall not take longer than 30 days after the claim is filed.
- 14) In case that the claim is incomplete, unclear and/or anonymous, the period for resolving the claim starts to run on the day of complete supplementation of the missing information.
- 15) The claims process shall end on the day of the claim resolution, which shall be the end of the claims process.
- 16) The Customer shall be notified of the claim resolution, namely in the form of sending a written opinion/statement to the Customer's email address. If a claim is submitted on the phone, the written form of the claim for its resolution is not required. When reporting a claim on the phone, it is considered to be resolved by a phone notification of its resolution or by sending a statement on the claim resolution to the Customer's email address.
